Store UPI ID for Customer Payments	8208232735@axl (Connected directly to your bank account)

2. What This Website Does for Your Business

- **100% Direct UPI Payments to Your Bank:** When customers pay via Google Pay, PhonePe, or Paytm, the money goes 100% directly into your UPI ID (8208232735@axl). There are zero middleman deductions.
- **Zero Platform Commission (0% Cut):** Unlike corporate apps (Blinkit / Zepto) that charge 15% to 25% cut per order, here 100% of the customer bill and delivery charges stay in your pocket.
- **You Own All Your Customer Data:** You get the full list of your customers' names, phone numbers, and delivery addresses in Khamgaon.
- **Automatic Distance-Based Delivery:** The website automatically calculates road distance from your shop in Khamgaon (■5/km, Free delivery over ■2,000).
- **Works on Any Mobile Phone (Like an App):** Customers can open the website easily on any Android phone or iPhone and tap 'Add to Home Screen' to use it like a mobile app.

3. How Your Customers Shop on Your Website

- **Step 1: Open Website:** Customers open <https://kirana-point.vercel.app> on their phone and browse fresh items (Atta, Rice, Dal, Milk, Oils, Vegetables, Snacks).
- **Step 2: Fast Search:** They can type any item name (e.g. 'Tata Salt', 'Amul Butter', 'Aashirvaad Atta') to instantly find it.
- **Step 3: Add to Cart:** They tap 'Add' and use '+' / '-' to select 1 kg, 5 kg, packets, or bottles.
- **Step 4: Choose Delivery Mode:** They choose between Doorstep Home Delivery in Khamgaon or Store Counter Pickup.
- **Step 5: Pay via UPI or Cash:** They tap Google Pay, PhonePe, Paytm, QR Code, or choose Cash on Delivery (COD).
- **Step 6: Live Tracking & WhatsApp:** They see real-time order confirmation and can chat with you on WhatsApp with 1 tap.

4. How You (Store Owner) Manage Orders & Prices (Step-by-Step)

- A. How to Log in to Your Admin Panel:** Open <https://kirana-point.vercel.app/admin> on your phone/computer. Enter email: **pratham@kiranapoint.com** and password: **admin123**. Your Store Dashboard opens immediately!
- B. How to Check New Customer Orders:** Tap 'Orders' in your Admin menu. Tap any new order to see customer phone number, delivery address, items ordered, and total bill.
- C. How to Verify UPI Payments:** If customer paid by UPI, check your UPI app. Then click '**Verify Payment** ■' in the admin panel to confirm the order.
- D. How to Update Order Status:** Click '**Mark as Preparing** ■' when packing, '**Dispatch Out for Delivery** ■' when sent with delivery boy, and '**Mark as Delivered** ■' when completed.
- E. How to Update Prices & Stock:** Tap 'Product Catalog' in the Admin menu, tap 'Edit' on any product, change the selling price or stock number, and click 'Save Changes'.

5. Simple Tips to Grow Your Daily Orders in Khamgaon

- **WhatsApp Status Sharing:** Share your store link (<https://kirana-point.vercel.app>) on your WhatsApp status and local Khamgaon groups so regular customers can order anytime.
- **Counter QR Code:** Place a printed board at your shop counter with your website link so walking customers can also order online from home.
- **Fast 30-Minute Delivery:** Deliver local neighbourhood orders quickly to build loyal daily repeat customers.
