

KIRANA POINT

Next-Generation Local Grocery E-Commerce & PWA Platform Client Feature Proposal & Technical Capability Presentation

Store Owner / Client:	Mr. Pratham Tarde
Store Location:	Main Road, Khamgaon, Dist. Buldhana, Maharashtra 444303
UPI & WhatsApp:	8208232735@axl +91 8208232735
Architecture:	Next.js 14 App Router, TypeScript, TailwindCSS, Firebase Firestore, PWA, Leaflet GPS

1. Executive Summary & Commercial Advantage

Kirana Point is an enterprise-grade digital storefront built specifically for neighbourhood grocery retail. It provides store owner **Mr. Pratham Tarde** with complete independence from quick-commerce corporate apps (Blinkit, Zepto, Swiggy Instamart) with **Zero Commission, Zero Payment Gateway Deductions**, and direct bank settlements.

Metric / Feature	Corporate Apps (Blinkit / Zepto)	Kirana Point (Your Platform)
Platform Commission	15% - 25% deducted per order	0% Commission (100% profit retained)
Payment Gateway Fees	2% - 3% gateway deductions	0 Gateway Fees (Direct UPI 8208232735@axl)
Customer Relationship	Locked inside third-party aggregator	100% Owned by Pratham Tarde
Delivery Pricing	Surge charges & high platform fees	Transparent 5/km (Free over 2,000)
Customer Support	Automated robot chat support	1-Click Direct WhatsApp Chat

2. Comprehensive Feature Breakdown

A. Customer Storefront & Mobile PWA Experience

- **Guest-First Browsing:** Customers can freely scroll products, view deals, browse categories, and inspect nutrition tables without any forced login barriers upfront.
- **Action-Triggered Login Portal:** When an unauthenticated visitor clicks 'Add to Cart' or 'Proceed to Checkout', a sleek Login / Register portal opens. Once logged in, their pending action immediately executes without repeating!
- **Dedicated Mobile Search Bar:** Full-width, thumb-friendly search bar with real-time autocomplete across product names, brands, categories, and tags.
- **Progressive Web App (PWA):** Customers can install Kirana Point directly onto their mobile home screen with one tap, functioning like a native Android/iOS app.
- **Sticky Mobile Action Bar:** When browsing product details on mobile phones, a persistent bottom bar allows instant 1-tap cart addition without scrolling back up.

B. Zero-Fee Direct UPI Payment System

- **Direct-to-Bank Settlements:** All payments route directly into Pratham Tarde's UPI ID (8208232735@axl) with 0 middleman fees or deductions.
- **UPI Deep Linking (GPay / PhonePe / Paytm):** Mobile shoppers tap Google Pay, PhonePe, or Paytm buttons which pre-fill the exact order total and payee name automatically.
- **Dynamic QR Code Generator:** Desktop shoppers get an instant QR code scan option that works with any mobile banking or UPI app.

- **Payment Verification Queue:** Customers tap 'I Have Completed Payment', sending the order into the Admin Verification queue for 1-click confirmation.
- **Cash on Delivery (COD) Option:** Customers also have full flexibility to select Cash on Delivery with 1 tap.

C. Precision GPS Distance-Based Delivery Engine

- **Haversine Distance Calculator:** Measures exact road distance between the Khamgaon store hub (20.6865° N, 76.5654° E) and the customer's delivery pin.
- **Transparent Pricing Rules:** Free delivery automatically applies for orders of ₹2,000 or above, or store pickup. Orders below ₹2,000 are charged ₹5 per kilometer (min ₹20).
- **Interactive Leaflet Map:** Customers can drag the pin on the map to their exact doorstep or tap 'Use My GPS' for 1-click browser geolocation.
- **15km Service Radius Guard:** Orders beyond the store's 15km delivery perimeter are prompted to choose store pickup, preventing unserviceable deliveries.

D. Open Food Facts Automated Cataloging & Competitor Pricing

- **1-Click Barcode / Product Auto-Fill:** Store managers can enter a barcode or search term to auto-fetch official descriptions, ingredients, package quantities, and full nutrition tables from the Open Food Facts global database.
- **Competitor Price Comparison Widget:** Each product page features a live comparison showing Kirana Point's low price vs Blinkit, Zepto, BigBasket, and JioMart, highlighting customer savings!

E. WhatsApp Business Automation

- **1-Click Invoice Notification:** Formatted WhatsApp invoice drafts with order breakdown, items list, total amount, and delivery address sent directly via wa.me.
- **Direct Customer Support:** A floating WhatsApp button allows customers to connect with the store manager in 1 tap for custom grocery requests or special delivery notes.

F. Complete Store Management Console (Admin Portal)

- **Visual Order Status Pipeline:** Interactive stepper moving orders through: Confirmed → Packing & Preparing → Out for Delivery → Delivered / Picked Up.
- **Payment Verification Panel:** Dedicated queue highlighting unverified UPI transfers for quick verification.
- **Inventory & Low Stock Alerts:** Real-time indicators warning when essential staples or dairy products drop below threshold.
- **Product Catalog Management:** Full control to add new products, edit pricing/discounts, update images, or toggle stock availability.
- **Revenue Analytics & Reports:** Visual charts tracking daily/weekly sales volume, popular items, and customer transaction counts.
- **Store Settings Customizer:** Easily update delivery rates per km, free delivery thresholds, operating hours, and store coordinates.

3. Store Credentials & Access Reference

User Role	Login Identifier	Password	Target Destination
Store Owner (Admin)	pratham@kiranapoint.com (or mobile: 8208232735)	admin123	/admin (Store Console)
Customer Account	Any customer email/phone (or register new account)	Customer password	/ (Grocery Storefront)

4. Deployment & Launch Roadmap

1. **GitHub Source Code:** Successfully committed and pushed to <https://github.com/Neilarmstrong-00/Kirana-Point.git>.
2. **Vercel Production Hosting:** 1-click deployable on Vercel with automatic global CDN caching and SSL certificates.
3. **Zero Technical Complexity for Store Owner:** Mr. Pratham Tarde can easily manage orders, track payments, and update prices from any mobile phone or computer.
